POLLING PLACE CHANGE FOR GENERAL ELECTION

Frederick County voters who reside in Precinct 02-011 will have a new polling location for the General Election on November 4, 2014.

The polling place is being changed from the old North Frederick Elementary School on Motter Avenue to the new North Frederick Elementary School, 1010 Fairview Avenue, Frederick, Maryland. The change is due to the fact that the old school is now closed, and the new school offers better accessibility, parking, and space for voting.

Approximately 2,300 registered voters in Precinct 02-011 will be affected by the change. Each of them will receive a new voter registration card in the mail shortly, listing the name and address of the new polling place.

Frederick County residents who still wish to register to vote in the November 4, 2014 Gubernatorial General Election are reminded that the deadline for voter registration is 9 p.m. on Tuesday, October 14. In order to become a registered voter, individuals must be a U.S. citizen, live in Frederick County, and be at least 16 years of age. In order to vote in the General Election, a person must be 18 years old on or before November 4, 2014.

Voters are further reminded that October 14 is the deadline to make any changes to their name, address, or party affiliation for the General Election. Registered voters can check to see if their registration information is correct by checking the Board's link to the polling place locator at our web site, www.FrederickCountyMD.gov/elections. Changes can be mailed or faxed to the Elections Office, or made online.

For more information, contact the Elections Office at 301-600-VOTE (8683) from 7:30 a.m. to 4:00 p.m., Monday through Friday.
